Dated: 21 August 2012.

BRADLEY HAZZARD, M.P.,  
Minister for Planning and Infrastructure

### 1. Name of Direction

This Direction is the Environmental Planning and Assessment (Local Infrastructure Contributions) Direction 2012.

### 2. When Direction takes effect

This Direction takes effect on 28 August 2012.

### 3. Consent authorities to which Direction is given

- (1) This Direction is given to all councils.
- (2) This Direction also applies to any joint regional planning panel ("planning panel") when exercising consent authority functions of one or more councils.

### 4. No cap on contributions for development on Schedule 1 land

This Direction does not apply to a development consent to the extent that it authorises the carrying out of development on any land identified in Schedule 1, but applies to the carrying out of development on all other land within the State.

### 5. Definitions

- (1) In this Direction:
  - (a) *dwelling* means a room or suite of rooms occupied or used or so constructed or adapted as to be capable of being occupied or used as a separate domicile, and
  - (b) *residential lot* means a lot created by the subdivision of land for the purpose of a dwelling, not being a lot that, in the opinion of the council (or planning panel), is to be further subdivided for the purpose of creating lots for the purpose of dwellings.

Note: See section 4B of the Environmental Planning and Assessment Act 1979 for the meaning of "subdivision of land".

- (2) A reference in this Direction to a development consent that authorises a dwelling is a reference to a development consent that authorises the erection of the dwelling or the use of a building or part of a building as a dwelling.

Note: See section 4 (2) of the Environmental Planning and Assessment Act 1979 for interpretation of the phrase "erection of a dwelling".

- (3) Notes in this Direction do not form part of this Direction.

### 6. Maximum amount of monetary contributions under s 94

- (1) This clause applies to a development consent to the extent that it authorises one or more dwellings or the subdivision of land into residential lots.
- (2) A council (or planning panel) must not grant development consent (other than for development on land identified in Schedule 2) subject to a condition under section 94 (1) or (3) of the Environmental Planning and Assessment Act 1979 requiring the payment of a monetary contribution that:
  - (a) in the case of a development consent that authorises one or more dwellings, exceeds \$20 000 for each dwelling authorised by the consent, or

- (3) A council (or planning panel) must not grant development consent for development on any land identified in Schedule 2 subject to a condition under section 94 (1) or (3) of the Environmental Planning and Assessment Act 1979 requiring the payment of a monetary contribution that:
  - (a) in the case of a development consent that authorises one or more dwellings, exceeds \$30 000 for each dwelling authorised by the consent, or
  - (b) in the case of a development consent that authorises subdivision into residential lots, exceeds \$30 000 for each residential lot authorised to be created by the development consent.

- (4) A council (or planning panel) may, in a particular case, require, as a condition on the grant of development consent, the payment of a monetary contribution that exceeds the maximum amount of the contribution calculated in accordance with subclause (2) or (3), but only with both the written agreement of the applicant for the consent and the written approval of the Minister, given before the condition is imposed.

#### 7. Pending development applications

- (1) This Direction extends to development applications made to a council, but not finally determined, before this Direction takes effect.
- (2) This Direction does not apply to:

- (1) The Environmental Planning and Assessment (Local Infrastructure Contributions) Direction 2011 (which took effect on 4 March 2011) is revoked.
- (2) The revocation of the Environmental Planning and Assessment (Local Infrastructure Contributions) Direction 2011 does not affect:
- (a) the operation of a condition of a development consent imposed in accordance with that Direction, or
  - (b) the operation of a condition of a development consent imposed in accordance with the earlier direction under section 94E of the Environmental Planning and Assessment Act 1979 that took effect on 16 September 2010 and that was revoked by the Environmental Planning and Assessment (Local Infrastructure Contributions) Direction 2011.
