**WORKERS COMPENSATION ACT 1987**

(ORTHOPAEDIC SURGEON FEES) ORDER 2011 (No. 2)  
under the Workers Compensation Act 1987

I, JULIE NEWMAN A/Chief Executive Officer of the WorkCover Authority of New South Wales, make the following Order pursuant to section 61 (2) of the Workers Compensation Act 1987.

Dated this 11th day of January 2011.

JULIE NEWMAN,  
A/Chief Executive Officer,  
WorkCover Authority

Explanatory Note

Treatment by a medical practitioner who is an orthopaedic surgeon is a medical or related treatment covered under the Workers Compensation Act 1987. This Order sets the maximum fees for which an employer is liable under the Act for treatment by an orthopaedic surgeon of an injured worker's work-related injury.

The effect of the Order is to prevent an orthopaedic surgeon from recovering from the injured worker or employer any extra charge for treatments covered by the Order.

The Order adopts the items listed as Orthopaedic Procedures in the List of Medical Services and Fees published by the Australian Medical Association (AMA).

To bill an AMA item number a surgeon must be confident they have fulfilled the service requirements as specified in the item descriptor. Where a comprehensive item number is used, separate items should not be claimed for any of the individual items included in the comprehensive service.

Where only one service is rendered, only one item should be billed. Where more than one service is rendered on one occasion of service, the appropriate item for each discrete service may be billed, provided that each item fully meets the item descriptor. Where an operation comprises a combination of procedures which are commonly performed together and for which there is an AMA item that specifically describes the combination of procedures then only that item should be billed. The invoice should cover the total episode of treatment.

All surgical invoices must be accompanied by a detailed operation report clearly outlining the mechanism of injury, intra-operative findings and the procedures performed.

The incorrect use of AMA items can result in penalties, including the medical provider being asked to repay monies to WorkCover that the provider has incorrectly received.

**Workers Compensation (Orthopaedic Surgeon Fees) Order 2011 (No. 2)**

**1. Name of Order**

This Order is the Workers Compensation (Orthopaedic Surgeon Fees) Order 2011 (No. 2).

**2. Commencement**

This Order commences on 1 January 2011.

**3. Definitions**

In this Order (including Schedule A):

*the Act* means the Workers Compensation Act 1987.

*Aftercare visits* has the same meaning as in the AMA List and is covered by the surgical procedure fee during the first six weeks following the date of surgery or until wound healing has occurred. However, unrelated visits or incidental reasons for visits that are not regarded as routine aftercare should be explained with accounts rendered. The consulting surgeon will issue a "certificate" detailing the worker's fitness for work and anticipated after-care on discharge from hospital or after the first post injury consultation.

*After hours consultations* means call-outs to a public or private hospital or a private home for urgent cases before 8.00am or after 6:00pm. This fee is not to be utilised where a consultation is conducted for non-urgent cases outside of these hours.

*Assistant at operation* means a medical practitioner, but only where an assistant's fee is allowed for in the Commonwealth medical benefits schedule or where indicated in the WorkCover schedule or approved in advance by the insurer. An assistant fee may only be applicable for surgical procedures EA010 to MY115.

In accordance with NSW health policy (File No. C17061), assistant fees cannot be charged for WorkCover cases performed in a public hospital when the assistant is a registrar. If the registrar is on rotation to an approved private hospital training rotation, the relevant assistant fee may be charged. Payment of these fees is to be directed into a hospital or departmental trust fund account and the invoice should include details of this account. Workcover reserves the right to conduct an audit of assistant fee payments to ensure their proper distribution into the named trust fund.

*AMA list* means the document entitled List of Medical Services and Fees published by the Australian Medical Association and dated 1 November 2010.

**Extended initial consultation** means a consultation involving significant multiple trauma or complex “red flag” spinal conditions (systemic pathology, carcinoma, infection, fracture or nerve impingement) involving a lengthy consultation and extensive physical examination.

**GST** means the goods and services tax payable under the GST Law; and

**GST Law** has the same meaning as in the A New Tax System (Goods and Services Tax) Act 1999 of the Commonwealth.

**Initial consultation and report** covers the first consultation and the report to the referring General Practitioner and insurer.

The report will contain:

- the patient’s diagnosis and present condition;
- the patient’s likely fitness for pre-injury work or for alternate duties;
- the need for treatment or additional rehabilitation; and
- collateral conditions that are likely to impact on the management of the worker’s condition (in accordance with privacy considerations).

Receipt of this information and “certificates” post treatment will provide sufficient information for insurers, employers and rehabilitation providers to develop management plans.

**Instrument fee** covers procedures where the surgeon supplies all the equipment or a substantial number of specialised instruments in exceptional circumstances and must be justified. This fee does not apply for all operations or if only incidental instruments (non critical) are supplied by the surgeon. Routine items such as loupes are not included.

**Medical practitioner** means a person registered under the Health Practitioner Regulation National Law (NSW) No 86a in the medical profession.

**Multiple operations or injuries** refers to situations that require two or more operations or for the treatment of two or more injuries carried out at the same time. The fee for the main operation or injury is to be paid in full as per Schedule A and 75% of the charge specified in Schedule A for each additional operation or injury is payable, unless specifically listed in the Schedule as a multiple procedure item.

**Opinion on file request** includes retrieval of a file from whatever source, reading time, and reporting where a request for such an opinion has been made in writing to the orthopaedic surgeon by the insurer/lawyer. Fees for this service will not be pre-paid in whole or part.

**Orthopaedic procedures** are those listed in the AMA list but do not include the cost of bandages, dressings, plaster of Paris bandages, splints, metallic fixation agents, and prosthetic implants which may be charged in addition to the fee set out in the Schedule A, if purchased by the surgeon. The fee for orthopaedic procedures includes aftercare visits.

**Orthopaedic surgeon** means a medical practitioner who is currently a Fellow of the Australian Orthopaedic Association or who is recognised by Medicare Australia as a specialist in orthopaedic surgery. It includes an orthopaedic surgeon who is a staff member at a public hospital providing services at the hospital.

**Revision surgery** refers to a procedure carried out to correct earlier surgery. This attracts a fee of 50% of the amount for the principal procedure in the initial surgery and the fee payable for the new procedure, except where the new procedure is specified as a revision procedure in the AMA list.

**Subsequent consultation** is a consultation not included in the normal aftercare that applies following surgery. The cost of the latter is included in the fee for the orthopaedic procedure.

#### 4. Application of order

This Order applies to treatment provided on or after the commencement date of this Order, whether it relates to an injury received before, on or after that date.

#### 5. Revocation of previous order

The Workers Compensation (Orthopaedic Surgeon Fees) Order 2011 is repealed.

#### 6. Maximum fees for treatment by orthopaedic surgeon

- (1) The maximum fee amount for which an employer is liable under the Act for treatment of an injured worker by an orthopaedic surgeon, being treatment of a type specified in Column 1 of Schedule A to this Order, is the corresponding amount specified in Column 3 of that Schedule.
- (2) A fee charged by an orthopaedic surgeon for a patient’s treatment (including the management of fractures and other conditions) will be in addition to the fee in Schedule A for the original examination and report.

#### 7. Billing items for hand surgery (Schedule B)

Schedule B provides guidelines for billing items used in hand and wrist surgery only:

Table 1 details items that are not applicable to hand surgery procedures.

Table 2 details items with restricted application for hand surgery and where clinical justification is required that they are reasonably necessary given the circumstances of the case.

#### 8. GST

An amount fixed by this Order is exclusive of GST. An amount fixed by this Order may be increased by the amount of any GST payable in respect of the service to which the cost relates, and the cost so increased is taken to be the amount fixed by this Order. This clause does not permit a medical practitioner to charge or recover more than the amount of GST payable in respect of the service to which the cost relates.

**WORKERS COMPENSATION ACT 1987**

(SURGEON FEES) ORDER 2011 (No. 2)  
under the Workers Compensation Act 1987

I, JULIE NEWMAN A/Chief Executive Officer of the WorkCover Authority of New South Wales, make the following Order pursuant to section 61 (2) of the Workers Compensation Act 1987.

Dated this 11th day of January 2011.

JULIE NEWMAN,  
A/Chief Executive Officer,  
WorkCover Authority

Explanatory Note

Treatment by a medical practitioner who is a surgeon is a medical or related treatment covered under the Workers Compensation Act 1987. This Order sets the maximum fees for which an employer is liable under the Act for treatment by a surgeon of an injured worker's work-related injury.

(Note: Treatment by an orthopaedic surgeon is covered by the Workers Compensation (Orthopaedic Surgeon Fees) Order 2011. However, maximum fees under this Order may apply to procedures carried out by an orthopaedic surgeon which are covered by the Workers Compensation (Orthopaedic Surgeon Fees) Order 2011).

The effect of the Order is to prevent a surgeon from recovering from the injured worker or employer any extra charge for treatments covered by the Order.

The Order adopts the items listed as Surgical Procedures in the List of Medical Services and Fees published by the Australian Medical Association (AMA).

To bill an AMA item number a surgeon must be confident they have fulfilled the service requirements as specified in the item descriptor. Where a comprehensive item number is used, separate items should not be claimed for any of the individual items included in the comprehensive service.

Where only one service is rendered, only one item should be billed. Where more than one service is rendered on one occasion of service, the appropriate item for each discrete service may be billed, provided that each item fully meets the item descriptor. Where an operation comprises a combination of procedures, which are commonly performed together, and for which there is an AMA item that specifically describes the combination of procedures, then only that item should be billed. The invoice should cover the total episode of treatment.

All surgical invoices must be accompanied by a detailed operation report clearly outlining the mechanism of injury, intra-operative findings and the procedures performed.

The incorrect use of AMA items can result in penalties, including the medical provider being asked to repay monies to WorkCover that the provider has incorrectly received.

**Workers Compensation (Surgeon Fees) Order 2011 (No. 2)**

**1. Name of Order**

This Order is the Workers Compensation (Surgeon Fees) Order 2011 (No. 2).

**2. Commencement**

This Order commences on 1 January 2011.

**3. Definitions**

In this Order (including Schedule A):

*the Act* means the Workers Compensation Act 1987.

*Aftercare visits* has the same meaning as in the AMA List and is covered by the surgical procedure fee during the first six weeks following the date of surgery or until wound healing has occurred. However unrelated visits or incidental reasons for visits that are not regarded as routine aftercare should be explained with accounts rendered. The consulting surgeon will issue a "certificate" detailing the worker's fitness for work and anticipated aftercare, on discharge from hospital or after the first post injury consultation.

*After hours consultations* means call-outs to a public or private hospital or a private home for urgent cases before 8.00am or after 6:00pm. This fee is not to be utilised where a consultation is conducted for non-urgent cases outside of these hours.

*Assistant at operation* means a medical practitioner but only where an assistant's fee is allowed for in the Commonwealth Medical Benefits Schedule or where indicated in the WorkCover schedule or approved in advance by the insurer.

In accordance with NSW health policy (File No. C17061), assistant fees cannot be charged for WorkCover cases performed in a public hospital when the assistant is a registrar. If the registrar is on rotation to an approved private hospital training rotation, the relevant assistant fee may be charged. Payment of these fees is to be directed into a hospital or departmental trust fund account and the invoice should include details of this account. Workcover reserves the right to conduct an audit of assistant fee payments to ensure their proper distribution into the named trust fund.

**AMA list** means the document entitled List of Medical Services and Fees published by the Australian Medical Association and dated 1 November 2010.

**Extended initial consultation** means a consultation involving significant multiple trauma or complex “red flag” spinal conditions (systemic pathology, carcinoma, infection, fracture or nerve impingement) involving a lengthy consultation and extensive physical examination.

**GST** means the goods and services tax payable under the GST Law; and

**GST Law** has the same meaning as in the A New Tax System (Goods and Services Tax) Act 1999 of the Commonwealth.

**Initial consultation and report** covers the first consultation and the report to the referring General Practitioner and insurer.

The report will contain:

- the patient’s diagnosis and present condition;
- the patient’s likely fitness for pre-injury work or for alternate duties;
- the need for treatment or additional rehabilitation; and
- collateral conditions that are likely to impact on the management of the worker’s condition (in accordance with privacy considerations).

Receipt of this information and “certificates” post treatment will provide sufficient information for insurers, employers and rehabilitation providers to develop management plans.

**Instrument fee** covers procedures where the surgeon supplies all the equipment or a substantial number of specialised instruments in exceptional circumstances and must be justified. This fee does not apply for all operations or if only incidental instruments (non critical) are supplied by the surgeon. Routine items such as loupes are not included.

**Medical practitioner** means a person registered under the Health Practitioner Regulation National Law (NSW) No 86a in the medical profession.

**Multiple operations or injuries** refers to situations that require two or more operations or for the treatment of two or more injuries carried out at the same time. The fee for the main operation or injury is to be paid in full as per Schedule A and 75% of the charge specified in Schedule A for each additional operation or injury is payable, unless specifically listed in the Schedule as a multiple procedure item.

**Opinion on file request** includes retrieval of a file from whatever source, reading time, and reporting where a request for such an opinion has been made in writing to the surgeon by the insurer/lawyer. Fees for this service will not be pre-paid in whole or part.

**Revision surgery** refers to a procedure carried out to revise earlier surgery. This attracts a fee of 50% of the amount for the principal procedure in the initial surgery and the fee payable for the new procedure, except where the new procedure is specified as a revision procedure in the AMA list.

**Surgical procedures** are those listed in the AMA list but do not include the cost of bandages, dressings, plaster of Paris bandages, splints, metallic fixation agents, and prosthetic implants which may be charged in addition to the fee set out in the Schedule A, if purchased by the surgeon. The fee for surgical procedures includes aftercare visits.

**Subsequent consultation** is a consultation not included in the normal aftercare that applies following surgery. The cost of the latter is included in the fee for the surgical procedure.

**Surgeon** means a medical practitioner who is currently a Fellow of the Australasian College of Surgeon or who is recognised by Medicare Australia as a specialist. It includes a surgeon who is a staff member at a public hospital providing services at the hospital.

#### 4. Application of Order

This Order applies to treatment provided on or after the commencement date of this Order, whether it relates to an injury received before, on or after that date.

#### 5. Revocation of previous order

The Workers Compensation (Surgeon Fees) Order 2011 is repealed.

#### 6. Maximum fees for treatment by surgeon

- (1) The maximum fee amount for which an employer is liable under the Act for treatment of an injured worker by a surgeon, being treatment of a type specified in Column 1 of Schedule A to this Order, is the corresponding amount specified in Column 3 of that Schedule.
- (2) A fee charged by a surgeon for a patient’s treatment (including the management of fractures and other conditions) will be in addition to the fee in Schedule A for the original examination and report.

#### 7. Billing items for hand surgery (Schedule B)

Schedule B provides guidelines for billing items used in hand and wrist surgery only:

Table 1 details items that are not applicable to hand surgery procedures.

Table 2 details items with restricted application for hand surgery and where clinical justification is required that they are reasonably necessary given the circumstances of the case.

**8. GST**

An amount fixed by this Order is exclusive of GST. An amount fixed by this Order may be increased by the amount of any GST payable in respect of the service to which the cost relates, and the cost so increased is taken to be the amount fixed by this Order. This clause does not permit a medical practitioner to charge or recover more than the amount of GST payable in respect of the service to which the cost relates.
