NOTE.—The "Dates of appointment" of many of the officers of the Volunteer Force have been altered since the publication of the last Blue Book. The Commandant explains that in 1878 and 1879 returns it did not appear necessary to give any date other than the one showing their appointments (or transfers) to the new Force, but subsequent events have transpired which indicate the desirability of giving the original dates of the commissions of their existing ranks, in order that their proper positions may be apparent.
