# Funds granted to non-government organisations 2014–15

## by service type

### Community support for people with disability, their family and carers

Funding in this service group focuses on building skills, strengthening family and carer relationships by providing assistance with the activities of everyday living to enable people to live in their own home and to participate in economic and community life.

## Out-of-home care for vulnerable children and young people

Funding in this service group supports vulnerable children and young people who cannot live safely with parent/s. Out-of-home care (OOHC) includes restoration, general foster care, kinship care, residential care, and adoptions delivered by the non-government sector and the Department of Family and Community Services. The service includes planning, monitoring and supporting non-government organisations (NGOs) to deliver services to children and young people in care.

## Social housing assistance and tenancy support

Funding in this service group covers housing assistance for people on low incomes or who are unable to access or maintain appropriate housing. This includes managing tenancies in public, community and Aboriginal Housing Office properties. It also includes providing private rental market assistance as an alternative to social housing and to assist people to transition out of social housing.

## Targeted earlier intervention for vulnerable children, young people and families

Funding in this service group supports vulnerable children, young people and their families to live better lives. It includes support services that intervene early to address family vulnerabilities and prevent escalation into or within the statutory child protection system, support services to reduce the incidence and impact of domestic violence against women and children, as well as broader services in communities.

## Domestic and family violence

Funding in this service type supports the victims of domestic violence across NSW. It focuses on the safety of victims and their children by strengthening the approach to violence prevention and reduction, changing the way services are delivered to support victims of violence, and delivering programs and services that hold perpetrators accountable and reduce re-offending.
