## 2. Family and domestic violence support

This service type supports the victims of domestic violence across NSW. It focuses on the safety of victims and their children by strengthening the approach to violence prevention and reduction, changing the way services are delivered to support victims of violence, and delivering programs and services that hold perpetrators accountable and reduce re-offending.

## 6. Social housing assistance and tenancy support

This service group covers housing assistance for people who are on low incomes or who are unable to access or maintain appropriate housing. This includes managing tenancies in public, community and Aboriginal Housing Office properties. It also includes providing private rental market assistance as an alternative to social housing and to assist people to transition out of social housing.

## 9. Targeted earlier intervention for vulnerable children, young people and families

This service group supports vulnerable children, young people and their families to live better lives. It includes support services that intervene early to address family vulnerabilities and prevent escalation into or within the statutory child protection system, support services to reduce the incidence and impact of domestic violence against women and children, and broader services in communities.
